

Thoughts for the Week

Sensitive souls discern that the Church should be increasingly indigenous, of the earth, earthy, intelligible to all at the deepest levels, and Christian truth should be expressed within the thought forms of our ancestors wherever possible. Worship in the Sinhala language is not fully Sinhala worship until all the music, the dance, arts and crafts are presented to God as a combined contribution.

CHILDREN AT THE 10.00am SERVICE DURING THE SUMMER

There are no church school classes so parental supervision is required for younger children.

For school-age children, we provide informal activities that can be done at the tables and chairs at the front of the church (near the door to the Memorial Garden) or in the pews. Worksheets for various ability levels, pencils and crayons can be found in a box in the Narthex (to the left as you enter the church) or may be on the tables. Please ask a sidesperson, if you cannot see it.

Families with Newborns to two years old : please use our “Noah’s Ark” room. Parental supervision is necessary. Entry door is on the far left (or Gospel side) of the church as you walk down the aisle.

Regular church school classes resume after Labour Day.

SENIOR’S CAFÉ NEWS FOR THE SUMMER MONTHS

Seniors Café will continue on alternate Tuesday mornings through the summer on August 1 and 15, 10:00 to Noon in the Fireside Room. Join us for coffee, tea and conversation. Find a partner for a board game or jigsaw puzzle, or try your hand at some flower arranging. Tammy Delaney will be with us on July 18 and August 15 to share more techniques with the water colour group. Everyone is welcome – invite a friend, neighbour, or summer visitor.

REFUGEE NEWS

As you know, the application to sponsor Lama and her four children, refugees from Syria now in a camp in Lebanon, is now being processed at the Canadian Visa Office in Beirut. This may take several more months.

The applications to sponsor Lama's parents, Nasriddin and Fatmeh, and her younger brother, Ward, have now been submitted to Immigration, Refugees and Citizenship Canada. St. Philip's is sponsoring them in partnership with Gloria Dei Lutheran Church. The applications were submitted by Canadian Lutheran World Relief which handles refugee sponsorship for the Lutheran Church. We are grateful for the help of the Lutherans, as our diocese did not receive sufficient allocations, i.e. sponsorship application spaces, for them. It is expected we will need about another \$15,000. If you wish to donate, please make cheques payable to St. Philip's and write "Refugee Fund" on the envelope as well as on the memo line. For more information, please contact Mary Lymburner, 778-898-5117 or kmarylymburner@telus.net

UPDATE ON THE OFFICE WALL

The work has begun! After pulling back the damaged stucco, the damage was more extensive than expected. The costs for the repair are now anticipated to be above \$30,000, so any help with this necessary work would be greatly appreciated. Please designate donations for this work to the Building Fund.

The fencing has been extended and now blocks the entrance to the main "office" door in order to make room for the scaffolding. Until further notice, please use the door near the mailboxes if you need to access the office or hall.

JOIN OUR 3RD ANNUAL SUMMER CHOIR!

Thinking of doing some singing? Please join us for the month of August for choral good times! This year we will be learning some music from the Baroque period featuring works by Buxtehude and Schütz.

Cost is \$85. Cheques payable to St. Philip's (music fund). Michael Murray conductor, Alastair Williams organist. Rehearsals August 1st, 8th, 14th, 15th, 21st, 22nd, 28th, 29th, September 5th. The concert is on Sept 9th 3PM. Register with Michael to book your spot in the choir.

BC WILDFIRE RESPONSE

As of July 10th, 2017, 10,000 residents in British Columbia have been forced from their homes as 220 wildfires sweep the province. On July 7th, a state of emergency was declared within the province of British Columbia as 138 new fires were sparked that same day. Lightning has been attributed as the cause of the wildfires which have been fueled by dry conditions and strong winds only making the situation worse.

To donate to this effort, we encourage donations to the Canadian Red Cross.

On their CanadaHelps website, under the "Apply your donation to a specific fund set up by this charity", select number 6 "British Columbia Fires Appeal" in order to direct your donation to this particular crisis.

KNITTING 9 INCH SQUARES - A HANDS-ON PROJECT

The objective is to provide blankets for our neighbours in need by knitting (or crocheting) 9 inch squares which can be sewn together into beautiful blankets.

Here's what to do:

- knit (or crochet) 9 inch squares using whatever pattern and colours you want, but please use machine-washable wool or yarn
- Leave the completed squares in the basket beneath the mailboxes
- Leave any spare yarn that others can use in the other basket by the mailboxes
- If you do not know how to knit, ask someone to show you, go on-line, or borrow a book from the library. Perhaps someone would be willing to provide a lesson for beginners...
- Once enough squares have been collected to start putting them together, hold a sewing bee—each quilt will be 5 squares wide and 8 squares long so take 40 squares.

Why not ask family members, friends, fellow-students and colleagues to get involved? It is easy and relaxing to knit a square while chatting, listening to music, or enjoying some downtime—a great summer project! And gentlemen, remember that sailors, especially fishermen, traditionally knitted their own socks and sweaters—9 inch squares are far simpler and a great starting point...

We will hold regular “Tea and Bee” sessions so that the blankets will be ready before the cold weather sets in—again. Please join us—the more the merrier. Thank you!

PARISH MANAGER IS GOING ON VACATION IN AUGUST!

From the Parish Manager

NEIGHBOURHOOD MINISTRY

I met Marian and Hyok at St. Anselm's where we were laden down with wonderful packages, bananas, yummy oranges provided by Marian's husband, and boiled eggs. Thanks to everyone for getting this together for us.

We headed over to Safeway and met Nancy, Jieun and June (a friend of Jieun's). We decided that as we were going to be a team of 6 we would drive around in two cars in tandem so we all headed over to No Frills where we met Edwin the final member of our team. There was a large group waiting for us there: R, T, D, B (who we had not seen for a few weeks because he has been actively binning these last few weeks and doing very well - his route did not include a stopover at No Frills!) (Jieun and Nancy often bring extra Ensure / Boost for B and Jieun managed to slip him some extras this time), M (who was looking well and actually biking), M, a gentleman from Steves Manor, B and A. D handed me a list of items that he needed to outfit his new place at 7th and Fir. He had recently been housed and needed quite a few things. I said I would send the list out to everyone and see what we could get for him (so far, we have done very well). I will be picking up the donated items this Friday. We spent a long time at No Frills shooting the breeze. Everyone was chatty and we had a good time. Peg, we managed to give B the amazing horn you wanted him to have - he loved it!

We went over to the Jericho Substation but did not see any sign of A. We did keep an eye out for him along Broadway but did not see him.

We then headed up Fourth Avenue and got out and walked up and down and along a couple of lanes, but did not find too many fellows. We initially only found T outside Whole Foods and he happily accepted some provisions. On our way back we saw P the megaphone fellow so the men on our team doubled back and dropped him off some goodies.

After Fourth, we went over to Granville and found S sitting near the Stanley. He was happy to accept packages for himself and G. We also gave them lots of P&J sandwiches as we had lots this week. We also gave some provisions to two gentlemen we found binning, one along Granville and the other down the back lane on the east side of Granville... One fellow was named J and the other T... they were both friendly. Edwin left us at Granville as he lives in Marpole. Heading on back down Broadway, we found S slumped over near the Safeway. We made a special package up for him with all the sweet items and protein drinks we had left.

Nancy and Hyok headed on up to drop a package off with B but he was there and declined the package. They then headed over to Safeway.

Jieun, June and I headed on up to the Safeway keeping an eye out for A but he was not along that route.

We all joined up at Safeway to say good byes... we had a lovely outing and enjoyed having June along with us. He was very friendly and very comfortable helping us out in this Ministry. Thank you June.

After splitting up, because B did not accept the package, I went up to Dunbar and found J outside the Shoppers... He took the last package, sandwiches and eggs. He was happy to receive the food.

Thanks from Team 2.

Jane
