MARY MAGDALENE - A HISTORICAL AND ARTISTIC JOURNEY * DATE CHANGED *

Be advised: The date of this event has been changed. On May 30th at 7 pm, The Rev'd Dr. Marilyn Hames will give a presentation on "Mary Magdalene —a historical and artistic journey". Mary Magdalene has had quite the journey that took her from being regarded by the Church as the First Apostle, to a common whore, to the reformed sinner par extraordinaire, to everywoman/everyman, and recently being recognized and restored to the title 'Apostle to the Apostles'.

REFUGEE NEWS

The application for our sponsorship of Lama and her four children is still in process at the Canadian Visa Office in Beirut. Upon receiving our submission explaining that Lama cannot obtain a proper Syrian death certificate for her late husband, the Visa Office asked her to get a document from the Sharia Court and another from a notary. She has been able to obtain these just recently. So after a long delay we hope that the processing can move forward.

We estimate that we will need \$40,000 for the basic support of Lama and her children for one year. We now have \$33,900.

If you wish to donate to the Refugee Fund, please make cheques payable to St. Philip's with "Refugee Fund" on the envelope as well as on the memo line.

For more information, please contact Mary Lymburner, 778-898-5117, or kmarylumburner@telus.net

SENIORS CAFÉ RETURNS THIS SPRING!

Seniors Café will continue once a month on the second Tuesday of the month. Spring dates are May 8, and June 12. Bring a friend and join us in the Fireside Room from 10:00 am to Noon for friendly conversation, refreshments, and table-top activities. Bring a friend or a neighbour – everyone is welcome.

FUNDING FOR SENIORS CAFÉ

A special fund for Seniors Café has now been designated. Parishioners and community members wishing to make donations may contribute by specifically naming Seniors Café when making a donation. We welcome contributions to a program that provides important social connections both for parishioners and for the Dunbar community. Other funding options are also being explored with the hope that we can return to making Seniors Café a bi-weekly event.

They are trying to have a choir representing many of the churches of the Archdeaconry and so if members of the choir or individual singers want to participate, please contact Scott Gould or Kevin Zakresky at St. Helen's.

We have added one final day to have portraits done for our photo directory. There are very few spots available on Wednesday, May 23rd. Please contact Beth in the office as soon as possible to secure your appointment.

Eyeglasses wanted for Mobile Care Unit

The Neighbourhood Ministry's Mobile Care Unit is seeking used eyeglasses to offer to clients. If you have a pair to spare, please bring them to your church and leave them in your Neighbourhood Ministry donation box and they will be distributed by our volunteers. You can also bring them to the Neighbourhood Ministry office at St. Philip's between 1-4 pm, Monday through Thursday.

The following is a summary of the activities of the Westside Anglicans Neighbourhood Ministry over the last two weeks, including highlights from our Saturday Street Outreach teams and our Mobile Care Unit (MCU).

The first half of April was busy. The Saturday Street Teams made 25 connections with homeless and vulnerable neighbours over the two Saturdays. Spirits were high with the arrival of sunshine. We have a request for men's size 34 waist shorts (or pants that can be made into shorts). Housing is not such a concern when the weather is pleasant. There was an altercation between two of our clients.

The MCU site visit at St. Mary's was quiet. The medical team connected with two clients, while the social service volunteers were able to mingle and talk with people at lunch. One client who is very recently housed stated feeling "overwhelmed" having their own place.

The MCU site visit at St. Augustine's was lively as ever. We are delighted to have Anna, who was a social work practicum student with the MCU last year, back with us as a volunteer now that she has graduated. Welcome back and Congratulations on completing your Social Work degree Anna! The medical table had a steady stream of new and returning clients. The social service table saw 5 clients with various questions and issues.

The MCU also visited the Kitsilano Showers Program, which was relatively quiet. There were five client connections, with two individuals who visited both the medical and social services tables. One client used a volunteer's phone to call family and wish them a Happy Mother's Day. A reminder that commonplace conveniences are often out of reach for many.
